

Customer Information | REACH Regulation

Regulation (EC) No 1907/2006 (REACH) is the European Union Regulation on the tracking of chemicals and notification to relevant stakeholders to ensure their safe use. It deals with the Registration, Evaluation, Authorisation and Restriction of Chemical substances. The candidate list of Substances of Very High Concern (SVHC), which needs to be tracked, was first published on 28 October 2008 and is regularly updated.

REACH requires Sharp NEC Display Solutions Europe GmbH to provide customers with sufficient information on SVHC when contained in articles or products in a concentration above 0.1% weight-by-weight (w/w).

Considering the recent version of the candidate list and the information collected throughout our supply chain these products may contain SVHC above the allowed threshold.

Projectors

Product Part Name	Article in Product Part	Substance Name	CAS Number
Projectors	Diode, IC, Connector, Crystal, DC FAN, DIFFUSER WHEEL, PHOSPHOR WHEEL, POWER CORD, INSERT NUT	Lead	7439-92-1
	DIFFUSER WHEEL	1,6,7,8,9,14,15,16,17,17,18,18-Dodecachloropentacyclo[12.2.1.1.1 6,9.02,13.05,10]octadeca-7,15-diene ("Dechlorane Plus"™)	13560-89-9
	IC	Bisphenol A; 4,4'-isopropylidenediphenol	80-05-7

Projector Accessories & Options

Product Part Name	Article in Product Part	Substance Name	CAS Number
Lens	Copper alloy	Lead	7439-92-1
	Alumite treatment	4-Nonylphenol, branched and linear, ethoxylated	SN0083
	Polymer composite	N,N-dimethylacetamide	68-12-2

Safe Use & Disposal

Products or parts shall only be used as recommended by Sharp NEC Display Solutions Europe GmbH . Disposal must be in accordance with the European WEEE Directive.
